

## Palestine War Continues Despite Pleas For Truce

Claim 325 Jews Killed In First Day Of Battle

By Max Boyd  
Cairo, July 9—(AP)—Arabs reported tonight they had killed 325 Jewish fighters during the first day of renewed Palestine war. A new mediator was pleading for a new 10-day truce.

Count Folke Bernadotte, the mediator, said in Rhodes after a meeting with King Abdullah in Amman, Trans-Jordan, that he had asked both sides to stop fighting for 10 days, beginning at 6 a.m., (C.S.T.) tomorrow.

The Swedish count's appeal was made on an urgent basis—but neither the Arabs nor the Jews showed any signs of agreeing. An Israeli spokesman said in Tel Aviv no action would be taken tonight because of the Jewish sabbath.

**U.N. To Study Situation**  
Bernadotte will fly tomorrow to Lake Success to place the whole situation before the United Nations Security Council.

The Egyptian defense ministry issued a communique here tonight saying 325 Zionist soldiers had been killed in military operations undertaken by the Egyptian army. Saudi Arabian troops and Sudanese volunteers. The time the operations started was not given. The old truce expired at 12 midnight (CST) last night.

**Tel Aviv, Haifa Bombed**  
1. Bombs dropped from a Spitfire on the Israeli capital of Tel Aviv killed two Jews and wounded 10 or more persons. Haifa had its first air raid since World War II but no bombs were reported.

2. Jewish mortars opened up on the Arab-held city of Jerusalem. The heavy guns of the Arab legion of King Abdullah withheld their answering fire while Jewish planes deployed toward the Jewish-held modern section of the Holy City.

3. The British foreign office disclosed in London that Britain had appealed to the Arab countries twice in the last 24 hours to extend the four-week truce which ended at 12 midnight (CST) last night.

**Egyptians Resume Battle**  
6. A spokesman for the ministry of national defense of Egypt said there is no doubt that the Egyptian army had resumed fighting this morning on the southern front of Palestine.

7. Strong Syrian concentrations of men and armor were reported by the Jews in the Lake Hula area north of the Sea of Galilee. The Jews said they expected a major attack. Scattered fighting was reported from various fronts. But there were no appearances that either side was ready yet to launch full scale offensives.

The action indicated they were feeling out the enemy before starting large battles.

## Ex-Convict Held For Knife Slaying Of Two Youngsters

Washington, July 9—(AP)—Police said today a janitor is being held in Baltimore for the knife slaying of two 11-year-old girls and the rape-robbery of a 38-year-old housewife.

Police Superintendent Robert J. Barrett said Eugene H. James, 31, an ex-convict, has confessed that he slashed the throat of Carol Bardwell in Rock Creek park here June 27. Police said at the time the girl had been raped.

Baltimore police, who arrested James 12 hours after Marsha Brill was stabbed to death July 6, have charged him with the murder and a grand jury promptly indicted him. James also is charged with raping and robbing a Baltimore housewife three weeks ago.

## Move Room Where Mark Twain Wrote

Keokuk, Ia., July 9—(AP)—The room in which Mark Twain wrote the first Keokuk city directory and wrote a number of his early works, is to be moved to New York City. The Home Insurance Company of New York, owner of the Iowa State Insurance Co. building here in which the room is located, announced today the room would be moved to the Harold Smith museum, New York.

The printing case and type stick used by the famous writer and a number of other items—including the floor he trod—will be taken to the New York museum.

**CYCLIST KILLED**  
Moline, Ill., July 9—(AP)—A Moline motorcyclist was fatally injured today when his cycle apparently slipped under the wheels of a city bus which attempted to pass. The victim was James Blodgett, 18.

## Disclose Contents Of Note Marshall Sent To Kremlin

By John M. Hightower  
Washington, July 9—(AP)—The United States has warned Russia that it will not be compelled "by threats, pressures or other actions" to abandon its rights in Berlin. It has demanded that the Russians lift the blockade of the German capital immediately.

This was revealed by the State Department tonight with publication of the text of the note which Secretary of State Marshall sent to Moscow last Tuesday through the Soviet embassy here.

The United States acted in concert with Britain and France, who sent separate notes.

**Firm, Not Belligerent**  
Authorities described the American note as extremely firm though not in any sense belligerent in tone.

In it Marshall proclaimed American willingness to negotiate with the Soviets and other occupation powers outstanding disputes over Berlin but he declared that restoration of communication between the western sectors of the city and the western zones of Germany is "a prerequisite" of any negotiations.

The note declared: "It is intolerable that any of the occupying authorities should attempt to impose a blockade upon the people of Berlin."

**Insists Blockade End**  
"The United States government is therefore obliged to insist that in accordance with existing agreements the arrangements for the movement of freight and passenger traffic between the western zones and Berlin be fully restored."

The United States note took the cover of secrecy off some of the arrangements made by President Truman directly with Premier Stalin in June 1945 regarding the joint occupation of the German capital.

Marshall told the Russians that the agreements regarding occupation of Berlin "implied the right of free access to Berlin."

He continued: "It was directly specified in a message sent by President Truman to Premier Stalin, on June 14, 1945 which agreed to the withdrawal of United States forces to the zonal boundaries, provided satisfactory arrangements could be entered into between the military commanders, which would give access by rail, road and air to United States forces in Berlin."

As a result of this agreement with Stalin, Secretary Marshall's note asserted, the American government withdrew its armies from Saxony and Thuringia in the Soviet zone and confined them to the United States zone of occupation.

"The United States," Marshall asserted, "would not have so withdrawn its troops from a large area now occupied by the Soviet Union had there been any doubt whatsoever about the observance of its agreed right of free access to its sector of Berlin."

**Charge Hungarians Kept From Hearing U.S. Broadcasts**  
Washington, July 9—(AP)—The State Department charged today that the Hungarian government is carrying on a "systematic campaign to frighten the people of Hungary from listening to the Voice of America radio broadcasts."

Assistant secretary of state George Allen declared that the campaign shows that the leaders of Hungary "fear they can hold their power only by denying to their people, in increasing degree, freedom of information."

"This device," Allen said, "has long been a necessary tool of dictators—communists and fascists."

**Nine CIO Heads Face Citations For Contempt**  
New York, July 9—(AP)—Nine CIO officials who refused to tell a House subcommittee whether they are communists will be recommended for citations for contempt of congress.

Rep. Charles J. Kersten, chairman of the House education and labor subcommittee, announced the action today at the end of three days of hearings.

The nine labor leaders are officials of the CIO Retail, Wholesale and Department Store union. Kersten said he would recommend to the whole education and labor committee that they be cited.

Faced with the possible contempt charges are Arthur Ochs, president, David M. Livingston, vice president, Mrs. Esther Letz, wholesale department director, and Jack Paley, secretary and treasurer, of Local 65; Samuel Lewis, business manager, and Carl W. Andren, business agent, of Local 3; William Mitchellson, business manager of Local 2; Nicholas Carnes, president of Local 1250; and Nathan Solomon, president of Local 830.

**Chicago Cab Driver Changes Account Of Wife's Death**  
Mauston, Wis., July 9—(AP)—Dist. Atty. Charles P. Curran said tonight a Chicago cab driver had changed his story about the slaying of his 24-year-old wife.

John J. Hoffman, 31, now has admitted his wife never regained consciousness after he beat her in their Chicago apartment, Curran said.

"This means prosecution will be under the jurisdiction of the State of Illinois, where they have the electric chair," Curran said.

## Refuses To Run

June 1945 regarding the joint occupation of the German capital.

Marshall told the Russians that the agreements regarding occupation of Berlin "implied the right of free access to Berlin."

He continued: "It was directly specified in a message sent by President Truman to Premier Stalin, on June 14, 1945 which agreed to the withdrawal of United States forces to the zonal boundaries, provided satisfactory arrangements could be entered into between the military commanders, which would give access by rail, road and air to United States forces in Berlin."

**Crop Forecasts Indicate Record Harvests For 1948**  
Washington, July 9—(AP)—The agriculture department said today a record corn harvest and the second biggest wheat crop in the nation's history are indicated for 1948.

Yield prospects for other crops, it added, also are very good.

The new record corn crop is expected to total 3,328,862,000 bushels, nearly 41,000,000 above the previous top crop of 1946. It compares with the very small 1947 crop of 2,400,952,000 bushels.

The wheat forecast of 1,241,751,000 bushels is only 123,168,000 bushels below the record set in 1947.

The American housewife, however, will not get any immediate break in regard to supplies or price of beef, pork and other meats.

A department expert told a reporter that, while "this report is one of the most encouraging signs in a long time, benefits in terms of meat and prices will be of long range and not of any immediate effect."

**RAISE MILK PRICE**  
Centerville, Ill., July 9—(AP)—Two Centralia distributors—Midwest and Sunray—today advanced their milk price one cent to 20 cents a quart.

## Government Gives Railroads Back To Owners Friday

Washington, July 9—(AP)—The government returned the railroads back to their owners today.

They were seized two months ago—May 10—by order of President Truman. He acted in the face of a threatened strike by three operating brotherhoods for higher wages and changes in working rules. That dispute was settled last night after a series of White House conferences.

Secretary of the Army Royal, in nominal control of the carriers during government operation, turned them back to the regular management at 2 p.m. (Central Standard Time) today.

The engineers, firemen and switchmen who threatened the strike settled for the 15 cent an hour wage increase previously accepted by other railroad workers, plus certain changes in operating rules. The pay increase is retroactive to last November 1.

**ICC Authorizes 17 Per Cent Rail Fare Increase**  
Washington, July 9—(AP)—The Interstate Commerce commission today authorized a new 17 percent fare increase in railroad passenger fares in the East. It is estimated to add \$61,000,000 to the annual cost of travel in that section of the country.

The advances involves 20 per cent more for interstate passenger tickets in coaches and 14.3 per cent more in sleeping and parlor cars.

The higher charges may be put into effect on five days notice to the public. A Pennsylvania railroad official said at Philadelphia that the roads have chosen July 19 as the date to boost the fares.

The ICC authority went to the 61 railroads carrying passengers north of the Ohio and Potomac rivers and east of the Mississippi river.

The new revisions will make coach rates in the East 3 cents a mile and sleeping and parlor car rates 4 cents a mile, compared with the 2.5 and 3.5 cents per mile basis now in effect throughout the country. These rates are basic; a federal transportation tax of 15 per cent also must be paid.

The ICC order covers interstate travel and travel inside of Illinois and Michigan (where the federal commission has authority to fix the intra-state rates). The railroads will have to obtain separate authorities in the other states to make the interstate increases apply to intra-state travel in those states.

**Champaign Man Elected Bishop By Methodists**  
Indianapolis, July 9—(AP)—The North Central Jurisdictional Conference of the Methodist church today elected the Rev. E. Clifford Northcott of Champaign, Ill., as a bishop.

Dr. Northcott's election broke a prolonged deadlock. The conference previously had elected the Rev. Richard C. Raines of Minneapolis and the Rev. Marshall Reed of Detroit to fill two episcopal vacancies.

After naming Dr. Northcott the delegates resumed balloting for a fourth bishop.

Dr. Northcott, a native of Exeter, Canada, and 57 years old, has been pastor of the First Methodist church at Champaign since 1923. He is a graduate of Northwestern University and holds divinity degrees from Garrett Biblical Institute, Chicago, and Illinois Wesleyan University, Bloomington, Ill.

**LIMITED JUMPS TRACKS**  
Dassel, Minn., July 9—(AP)—The Chicago, Great Northern and Northern Limited from Seattle to Portland departed last night as it sped through this central Minnesota town.

One person was hospitalized and several others bruised or shaken up as 14 of the 19 cars and the rear section of the diesel engine jumped the tracks.

## Roosevelt New Dealers Blister GOP

By Ovid Martin  
Philadelphia, July 9—(AP)—Two Roosevelt New Dealers, in blistering attacks on the GOP, urged the Democratic party today to pledge government curbs on living costs and to save rich oil resources for the people.

The first, wartime price administrator Leon Henderson, termed inflation a Republican-made "time-bomb" under prosperity and told Democratic platform drafters they should pledge immediate action to avert another round of price and wage increases.

He called for price, allocation, inventory and credit controls.

The second, former secretary of interior Harold Ickes, using sarcastic tones reminiscent of political battles of the thirties, charged the Republican party would "give away" vast underwater oil resources and "enhance the riches of the Rockefeller and Pews."

Appearance of Henderson and Ickes featured final hearings of a 18-member resolutions subcommittee of the party's national convention opening Monday. Tomorrow a five-man subgroup will get down to the task of writing a draft of the party's 1948 statement of principles.

**Urges Civil Rights Plank**  
Another former new dealer, Aubrey Williams, one-time national youth administrator, brought the controversial race issue into today's proceedings by urging a plank endorsing President Truman's Civil Rights proposals.

This issue appeared to be the only one likely to cause the platform builders much trouble. Bitter southern opposition to the President's program appeared likely to result in a compromise platform statement aimed at securing party unity.

Another Truman policy also came under attack. A spokesman for the American council for a democratic Greece told the subcommittee that the "Truman doctrine" in Greece should be abandoned.

**Zionists Seek Embargo Repeal**  
Further, the American Zionist council pleaded for a modification of a present embargo on shipments of arms to Israel. Louis E. Levinthal, of Philadelphia, spokesman for the council, said Israel "must be enabled to defend itself" against new attacks by the Arabs.

Henderson's proposal for government controls to curb inflation ran counter to recommendations offered by William Green, president of the American Federation of Labor.

Green urged a voluntary attack on prices by industry, labor, agriculture and other economic groups under sponsorship of the government. He suggested that the President's board of economic advisers consult with committees representing these groups in development of a "joint program."

**Cut Off Railroad Wheat Shipments To Kansas City**  
Kansas City, July 9—(AP)—A temporary rail embargo on all wheat shipments into Kansas City was ordered today as grain arrivals broke all previous records and glutted terminal and elevator facilities.

The ban, effective at 11:59 (CST) tonight, was announced by Ralph E. Clark, manager of box car distribution for the Association of American railroads.

The embargo came as another record-breaking day of 1948 cars from the harvest fields of the southwest brought the total week's receipts to 10,077 cars.

Clark said cars loaded today or recognized to Kansas City would be allowed to enter. Only wheat shipments are affected by the order.

Clark said 8,389 cars were jammed into the yards for unloading. He added there were 1,247 cars at nearby points waiting to be brought in.

**Workmen Recover Cave-In Victim**  
Chelsea, Mass., July 9—(AP)—The body of a 33-year-old city employee, buried by a sewer cave-in and quick sand run 70 days ago, was located 35 feet below the surface last night.

Workmen, who had been digging in relays since May 1, reported they found the body of Angelo Corsino, a water department worker, imbedded in clay and quicksand.

City and state appropriations totaling \$125,000 financed the search.

**SEND MOSCOW MISSION**  
Rome, July 9—(AP)—Italy will send to Moscow this month an economic mission to discuss renewal of trade with Russia, the foreign ministry said tonight.

## U. S. Blames Arab States For Renewal Of Fighting

By Edward E. Bomar

Washington, July 9—(AP)—American military and United Nations personnel have been evacuated successfully from Palestine.

The Navy made that announcement today a few hours after Secretary of State Marshall indicated that the United States blames the Arabs for sparking off a renewal of fighting in the Holy Land. Marshall, however, left any formal finding of guilt up to the United Nations Security Council.

The Navy did not announce the number of persons evacuated from Palestine, but it said they were taken aboard the escort carrier Palau and the Marquette, a cargo ship. The Navy said both vessels have left Haifa and were en route to the Island of Rhodes.

**Won't Lift Arms Embargo**  
Secretary Marshall ruled out, for the present at least any thought of lifting the U.S. embargo on arms shipments as a means of helping Israel.

The ban, ordered last December 5, forbids shipment of U.S. munitions to Palestine or neighboring Arab countries. Marshall told a news conference the United States is dealing with this issue and the whole Palestine problem through the U.N. Security Council.

The United States and Britain are continuing to coordinate their efforts to bring lasting peace to the Holy Land, Marshall said. He stressed that any action taken will be through the United Nations.

**Safeguard U.S. Citizens**  
Marshall's indication of the American official attitude was given in response to questions. After noting the United States made every effort as a member of the three-nation truce commission on the scene to extend the cease fire order, he commented it is deplorable that hostilities appear to be breaking out again.

**Attorneys Discuss Strike Settlement For Captive Mines**  
Washington, July 9—(AP)—Justice T. Alan Goldsborough talked over the "captive" coal mine strike with attorneys for both sides today, leading to speculation on an out-of-court settlement of the four-day-old shut-down in mines owned by the U.S. Steel Corp.

Goldsborough met with attorney Welly K. Hopkins of the United Mine Workers and John C. Gail of the steel company "captive" mines, and Harry M. Moses, chief negotiator for the operators whose pits are closed down in a new contract dispute.

The steel companies represented by Moses refused to agree to a union shop provision carried over by UMW president John L. Lewis in his new contract with the rest of the soft coal industry.

Moses said the provision violated the Taft-Hartley act, which requires a National Labor Relations Board election to determine whether workers actually favor a union shop before it is imposed on them.

**U.N. Drops Plans To Hold Palestine Emergency Session**  
Lake Success, July 9—(AP)—The United Nations Security Council tonight dropped plans for another emergency session on Palestine to await the arrival of Count Folke Bernadotte.

Informed quarters viewed the U.N. mediator's surprise decision to fly here from Rhodes as a turning point in the Holy Land negotiations. It was felt that Bernadotte was now convinced he could not single-handedly bring the Arabs and the Jews together and was prepared to seek help from the council.

The U.N. said it had been advised by Bernadotte's aides that the mediator planned to remain here only a few days. After that he intends to fly back to the Middle East to resume personal efforts at mediation.

There were no immediate indications here whether the Jews and Arabs could be expected to accept the unconditional 10-day cease fire asked by Bernadotte. It would start at 6 a.m. CST, tomorrow. The mediator apparently asked the short-term armistice to keep Palestine quiet until the council could act.

**Crazed Farm Wife Kills Children, Husband, Self**  
Oregon, Ill., July 9—(AP)—A crazed farm wife killed her husband and three children and herself today after finding a pistol that had been kept hidden from her, Sheriff Joseph Mass reported.

The victims are a tenant farmer, about 35, a 10-year-old son, a 7-year-old daughter, and a 5-year-old son, and his wife, Ruth, about 35, and her children by a previous marriage, Donald, 12; Doris, 9; and Joyce, 6.

Mass said he was informed that Mrs. Heatherington, a former mental hospital patient, had threatened to kill herself and her children and that her husband "hid all the guns" as a precaution.

The sheriff said the husband and children were killed in their sleep shortly after daylight and that after the slayings Mrs. Heatherington returned to her husband's bedroom and killed herself. A .38 caliber pistol was found at her side. The girls and their mother shared one bedroom and the boy and his step-father another.

**Train Robber Judged Insane**  
Chicago, July 9—(AP)—A 24-year-old Negro who held up a train and loan company was judged insane today by a criminal court jury.

The jury heard testimony by two psychiatrists that the defendant, Willard Cusley, Chicago, was suffering from dementia praecox.

Cusley was shot twice last February by a policeman as he was fleeing the Liberty Loan company after a \$2,400 robbery.

Police quoted him as saying he staged the holdup last December of a train from New York as it rolled through the south side toward a downtown station. Several Chicago judges, who had boarded the train after attending a law conference in South Bend, Ind., were among the passengers held up.

## Predict First Ballot Victory For Truman

By Douglas B. Cornell

Philadelphia, July 9—(AP)—Gen. Dwight D. Eisenhower laid down a "final and complete" refusal today to accept the Democratic presidential nomination under a "terms, conditions or premises."

Key anti-Truman Democrats from the north quickly abandoned their campaign to draft the general and switched their support to the president.

Those from the south went into "huddles, trying to figure out whether they would try to get behind somebody else."

**Predict First Ballot Win**  
Truman backers, and even some party members who wanted another candidate, passed the word that it's all over, that the President will capture the nomination on the first ballot.

**"I Am Convinced . . ."**  
Philadelphia, July 9—(AP)—James R. Roosevelt, prime mover in behalf of Gen. Dwight D. Eisenhower for the Democratic presidential nomination, informed Eisenhower for president headquarters tonight "I am now convinced Gen. Eisenhower would not serve if nominated by the Democratic party."

So it looked as if delegates were coming to town Monday mostly to pick a vice presidential nominee and approve a party platform.

Eisenhower gave his positive "No" to Senator Claude A. Pepper of Florida. It was his third attempt to avoid a political draft from either major political party.

"Under no condition," Eisenhower said in a telegram, "will I be in the position of repudiating or even seeming to swerve from the letter or spirit of my prior announcements."

**Refusal Is Absolute**  
"I will not violate my own conception of my appropriate sphere of duty."

"No matter under what terms, conditions or premises a proposal might be couched, I would refuse to accept the nomination."

Pepper was one of those who had declined to accept as final Eisenhower's other two pronouncements that the general could not accept a nomination to public office.

The Senator said yesterday he would place Eisenhower's name in nomination at the Democratic convention next week if someone else didn't do it first.

**Pepper To Comply**  
It was for that reason that the general sent his "final and complete" refusal to the Senator. Pepper said he would comply with "the greatest reluctance" with Eisenhower's urging that his name not be offered to the convention.

Immediately after Pepper released his wire Chicago Democratic leader Jacob M. Arvey announced that he and Mayor William O'Dwyer of New York were abandoning the boom to draft Eisenhower, and "intend to vote in the convention for the nomination of President Truman." Arvey in Chicago and O'Dwyer in New York both predicted Mr. Truman's nomination.

On the two biggest problems still apparently remaining before the convention—vice presidential nomination and platform—nothing definite had developed.

A dozen dead men have been mentioned for second spot on the ticket. McGrath said twice today that Mr. Truman had not expressed any preference.

A platform committee was in the process of winding up hearings today. It still has to hear the planks one by one, including the one on civil rights.

**LIFE UNDERWRITERS**  
Kenneth L. Keil, secretary-treasurer of the Illinois Association of Life Underwriters, was guest speaker at the meeting of the Jacksonville association held at noon Friday in the County Fair room of the Dunlap hotel.

Wilford E. Queen, newly-elected president of the local association, introduced the speaker, who discussed plans for organizational growth during the coming year.

It was announced that the regular association meetings would be continued through the summer months. Plans were made for a family picnic to be held August 6 at Nichols Park.

**WEATHER**  
The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported official temperatures for Friday as: high, 81; low, 60; and at 7 p.m., 85.

Forecast for Saturday: Fair and warmer Saturday.

Photogenic Family Bolsters  
Chances of Wise Candidate

The New York visit of Gov. and Mrs. Earl Warren and their three pretty daughters prompts us to consider the important and underestimated role of candidates' children in American politics.

When a man is a mere dark horse or favorite son or even a front-running contender his domestic setup is of passing interest. He has to stand pretty much on his public record and statements. But once he is chosen to run for either of the country's two top offices, his children, if any, become public property.

Thanks to these offspring—and the co-operation of photographers and editors—the candidate suddenly becomes a human being as well as a politician. Millions of voters who are also parents discover that the candidate is a "family man." This is not a unique accomplishment or, in itself, a badge of virtue. But we wouldn't be surprised if, in past elections, a covey of young hasn't tipped a few votes of sentimental parents in favor of the candidate-father.

The wise candidate, we believe, should try to have some fairly young and, if possible, pretty children at the time he's making his big pitch for high office. Theodore Roosevelt's six and Franklin D. Roosevelt's five didn't hurt their chances a bit. We even knew some bitter opponents of the second Roosevelt who would grow momentarily tender and forgiving at the sight of the president reading Dickens to the assembled family at Christmas-time.

So Governor Warren's six children, along with Governor Dewey's two, may be put down as assets to the Republican ticket. The candidate for vice president wisely took only the girls on tour, so as to complement rather than overwhelm his running mate's accomplishments as a parent. We assume that Mr. Warren is saving the three boys as a sort of first team to throw into the campaign later on when the going gets really hot.

Sometimes this political publicity is as helpful to the children as it is to their father. One of Woodrow Wilson's daughters was launched on a brief singing career during her father's tenure of office. And we would guess that Mr. Truman's residence in the White House has helped Margaret about as much as her voice has.

On the other hand, candidates' children may get an early and disillusioning taste of the fickleness of public interest. The recent news that Mr. Roosevelt's granddaughter, Miss Anna Eleanor Boettiger, was getting married recalled that she was the "Sistie" of "Sistie" and "Buzzie," now almost forgotten, but, in the early New Deal days, probably the most famous brother-and-sister act since Fred and Adele Astaire.

Red Norvo, Swing  
Favorite, Visits  
In Beardstown

Beardstown—On his first visit to the old home town in a dozen years, Kenneth (Red) Norvo, better known to swing music fans as Red Norvo, famous for stage and radio

work on "hammer musical instruments" found Beardstown "about the same" during the past week.

Here to visit his mother, Mrs. Estelle Norvo, 210 Washington street, "Red" found a number of old pals to talk over high school days with. He graduated here in 1925 and shortly thereafter embarked on a career that skyrocketed his name into the big lights of municipal theaters from coast to coast.

Norvo has had his own orchestra for years, and the band has just concluded an engagement at the College Inn in Chicago; but his home is Beverly Hills, Calif. He left for home today.

He got his start playing the xylophone for the famous Paul Whiteman in the late 20s.

Complete Final Plans  
For Greene Co. Fair

Carrollton—With the 93rd Greene County Agricultural Fair nearly ready to open, the fairgrounds are teaming with activity this week and the Imperial Shows, which will be featured on the midway, move into position for their opening day on Saturday. Other tents are also being erected by local folk who will have stands during the next week. Pens and tents to house the livestock are also being repaired or built during this week.

The grounds have been open for a week for exhibitors to arrange their exhibits. Beginning July 12, a night watchman will patrol the grounds and every precaution will be taken to protect exhibits. July 12 is the last day on which entries for exhibitors will be received. All articles for exhibition must be on the grounds and in place by 5 p. m. of that day unless previous arrangements have been made with the secretary of the fair, C. W. Ballard.

Feature Attractions Sunday  
On Sunday afternoon and evening, July 12, the "Klein Attractions" from the famous French Lick Springs, Ind., will give two performances. Tuesday will be known as Vocational Day. The racing program will start that afternoon and the horse show that evening. Both will continue through Friday, July 16, the closing day of the fair. Wednesday will be known as Farm, Home and 4-H Day and Thursday will be Greene County Day.

The closing day will be All-American Day and the fair will close that evening with the annual dress revue of girls of the Home Economics 4H clubs of the county, which will be presented before the grand stand. The Greene County Chorus will sing under the direction of Mrs. F. E. Strang of White Hall.

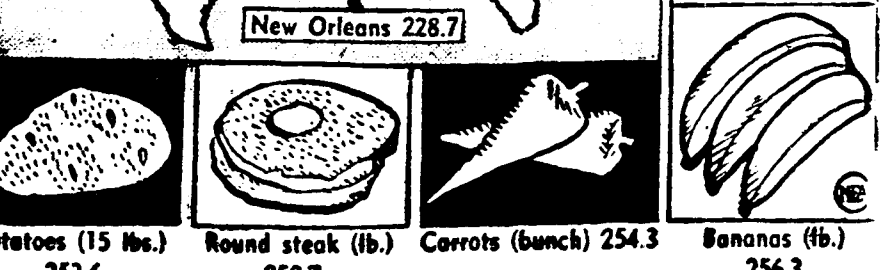

Will Choose Beauty Queen  
The closing event will be the choosing of the beauty queen or Miss Greene County of 1948. Miss Kathleen Johnson, daughter of Mr. and Mrs. Irwin Johnson of this city, is the retiring queen. She will crown the new queen. All unmarried girls who reside in Greene County and who are between the ages of 16 and 21, are eligible to enter the contest, and those who wish to do so may register with Miss Margaret Powell of this city, manager of the contest. Registration closes Thursday evening, July 15. Cash prizes of \$50, \$25, \$12 and \$10 will be awarded to the first four winners.

Members of Liberty Aid Meet With Mrs. McCullough  
Liberty Aid members and guests met with Mrs. Allen McCullough on July 7. Mrs. Harry Killam presided at the meeting. Devotions were given by Mrs. Scott Holmes, who read the 126th Psalm, which was followed by prayer.

Roll call was answered by naming a favorite type of music. Mrs. McCullough, program chairman, conducted an interesting quiz program, with prizes being won by Mrs. Harry Killam, Mrs. Scott Holmes, Mrs. John Boddy, and Ruth James. Luncheon was served by the hostesses. The August meeting will be the annual picnic.

Inflation Hits These Cities, Foods Hardest

These are the 10 foods and 20 cities hardest hit by soaring prices, according to latest available figures from the Bureau of Labor Statistics. With the 1935-1939 average as 100 or "normal," index numbers show present increase over prewar prices. Onions, now at an index number of 440.9, have risen 407.9 per cent from August, 1939, levels. Figures for Cedar Rapids, Jackson, Knoxville and Wichita use June, 1940, as 100, since data was not collected in those cities in 1939. The least-affected city reported is Columbus, O., with an index number of 193.1, and the least-affected commodity reported is canned peas, 112.5.

ACWW Chairman Is  
Speaker At Closing  
Home Bureau Session

Mrs. Spencer Ewing, chairman of the county women's council, addressed the 11th annual Citizenship and Home Bureau Organization conference at its final session Friday morning. The conference met in the social room, Main hall, MacMurray college.

Mrs. Ewing's address dealt with the problems of women the world over. She said that it makes no difference where women live or the language they speak. All women have the same interests and the same problems.

Mrs. Ewing has had vast experience in the field of international rural women's problems. She has been active in this field for 25 years. Her efforts have culminated in the Associated County Women of the World, an organization which represents five million women throughout the world.

The speaker gave the delegates projects they could take back to the county home bureaus. These projects included "Penny for Friendship" through which each of the three million members in the United States donates a penny. Funds from this are used to promote the international organization.

Other projects include letter exchanges between citizens of different countries, exchange programs between different national club groups, international days, and international visits.

Mrs. Ewing stated that this last named project was particularly significant. She said that if the women of America could visit rural homes in foreign lands, they could see that their common interests are alike. Once this is realized, international harmony would be assured.

The work of the Associated County Women of the World has been correlated with that of the United Nations. Many of the principles laid down by the ACWW have been adopted in the preambles of UN organizations.

Urged To Seek Data On UN  
Mrs. Ewing urged the delegates to tell the 50,000 Illinois farm women they represent to become internationalists. Find out about the UN, she said, and put into practice the goals it has set.

Mrs. Ewing concluded her address stating that the greatest need in the world today is to regain a sense of spiritual values.

Following the address a panel discussion on ways to carry out the methods learned during the conference was held. Mrs. Helen Turner of the University of Illinois Extension Staff led the discussion. Others on the panel were Mrs. Hazel Adams, McDonough Co., president of the Illinois home advisors association; Mrs. John Clifton, Iroquois Co.; Mrs. Victor Schwartz, Tazewell Co.; and Mrs. Floyd Batty, Clay Co.

The Illinois Home Bureau Federation chorus sang four numbers at the final session. The program was recorded and will be transcribed over radio station WILL next Friday morning.

Members of Chorus  
The chorus was directed by Mrs. R. E. Milligan of Champaign Co. Mrs. A. Shively, Platt Co., was accompanist. Members of the chorus included Mrs. Velma Graves, Macon Co.; Mrs. Hal Campbell, Ogle Co.; Mrs. Phil Goodwin, Will Co.; Mrs. Wayne Thriller, Edgar Co.; and Mrs. J. C. Casteen, Brown Co.

Mrs. Floyd Lehnard, Cass Co.; Mrs. H. J. Barksdale, Marion Co.; Mrs. Gerald Dickson, Marion Co.; Mrs. Victor Schwartz, Tazewell Co.; Mrs. Willard Yoder, McLean Co.; Mrs. Dean Wade, Clinton Co.; Mrs. Ray Stephenson, Tazewell Co.; Mrs. Howard Reager, Fulton Co.; Mrs. H. C. Geller, Iroquois Co.; Mrs. Ralph Peterson, McCoupin Co.; Mrs. Robert Jackson, Bureau Co.; Mrs. Edwin Youke, Iroquois Co.; Mrs. Harold Queen, Moultrie Co.; and Mrs. Frank Warner, Vermillion Co.

Dr. Tausch Speaks  
Highlighting yesterday's session were several speeches by Dr. Carl F. Tausch of St. Louis university. In discussing the situation in Germany, Dr. Tausch said that a mutual understanding by all countries involved was imperative. "You can't hate anyone you know," he declared.

"The Marshall plan is the key-stone of our foreign policy," Dr. Tausch said in a discussion of the U.S. program to assist European nations in economic recovery. "Twenty billion isn't too much if it sets Europe back on its feet."

During the afternoon session Dr. Tausch led a discussion of the Bill of Rights.

Job Opportunity In Television  
Miss Myra Dahne, director of the Consumer Service department of the Kraft Foods company, also spoke yesterday. Addressing the group on the subject, "Opportunities in Home Economics," she said that "television is the most wonderful job opportunity now available for women trained in home economics."

Miss Myra Robinson, president of the Illinois Home Bureau Federation, presented a short talk on the federation program of work, stressing the importance of women in farm life. She then introduced her board and advisory council as follows: Mrs. Arthur Page, Wheaton, vice president; Mrs. Cecil Smith-kamp, Paris, secretary; Mrs. Earl G. Keniston, treasurer, Manhattan.

Directors: Mrs. Adam McWilliam, Toulon; Mrs. George M. Esgar, Macon; Mrs. Harold Joy, Chapin; Mrs. A. W. Dickey, Clinton; and Mrs. F. J. Warnecke, Breese. Chairman of standing committees were also introduced. They are: Associated Country Women of the World, Mrs. Leonard Kiley, Monmouth; legislation, Mrs. Hugh Roark, Iroquois; 4-H chairman, Mrs. Wilbur Guthrie, Aleno; health, Mrs. Gerald Dickson, Hampshire; home safety, Mrs. Charles Young, Centerville Station; music, Mrs. R. E. Milligan, Urbana; organization, Mrs. Dale Huffman, Chandierville; publicity, Mrs. E. A. Schill, Canton; recreation, Mrs.

ALWAYS THE VALUE-LEADER . . . Always the first choice of people who want the finest at lowest cost . . . Chevrolet's value-leadership is now so outstanding that men and women everywhere are deciding it's more than ever the preferred investment in its field!

Not only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring . . . not only does it offer all these major advantages of Big-Car quality at lowest prices . . . but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!

It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head Engine. It's

the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.

And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!

That is why more people are buying Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date; that is why they are agreeing, with ever-mounting enthusiasm, that Chevrolet is first in dollar-value as it is first in nation-wide demand.

## 46 Boys To Compete In Soap Box Derby; Pairings Announced

Final pairings for the All American Soap Box Derby, to be held here Sunday, July 18 at 1 p. m., were announced today by Cecil S. Ford, general chairman of the event. The Derby, sponsored by the Jacksonville Journal-Courier in cooperation with Chevrolet Motor Division and Cornbelt Chevrolet Company, attracted 46 entries.

The course this year will be located on Grove street. The starting ramp will be in the area of the intersection of Park and Grove. Officials think that this Derby course will be as fast as the course formerly used on College avenue. Diversion of traffic from U. S. Route 36 through the city of Jacksonville necessitated the course change.

Trial runs have been made by boys on bicycles who report that they can coast to Diamond street with ease with a fast start on the Illinois college slope. This grade compares favorably with the grade on College avenue.

A few contestants have expressed the fear that the pavement on Grove may soften if the weather is hot, and that this will slow the racers somewhat.

It is not thought that this will be a major handicap. Moreover Derby officials point out that all boys will be affected equally.

The racers will be given plenty of space in which to stop. Three blocks will be set off back of the finish line. Track directors think that this will eliminate some of the smashups which have taken place past the finish line. In previous years, boys have applied their brakes too quickly and have lost control of their vehicles.

Pairings have been broken into two classes. Here is the order of races with the race number and the names of the entrants and their car number:

- Race No. Class "A"**

## Firemen Put Out Wheat Field Fire Friday Morning

Firemen answered a call to Mound Road Friday at 9:25 a. m. where a wheat field belonging to Howard Stevenson was afire. A group of neighbors battled the blaze until arrival of firemen and succeeded in holding it in check. A booster tank and hand pumps were used in extinguishing the blaze.

Sparks from a tractor which backfired when started were blamed for touching off the fire.

Fire chief Charles Lonergan had a word of advice Friday morning on prevention of similar fires. Lonergan advocates that farmers remove tractors and combines from fields at the conclusion of each day's work.

Tractors should never be started in the midst of a field of growing grain, the chief said, but should be pulled in, green grass first or at least away from the grain.

Damage to the Stevenson field was slight but Lonergan said this was due only to the fact that the wind was blowing away from the blaze. Had the wind been blowing toward the fire, the field might have been a total loss, he added.

**NOTICE FARMERS**  
Bring your wheat to us for Government Loan. Warehouse Receipts issued immediately. No shrink, no loss, no waiting for your money. Our warehouse is approved and bonded. Plenty of storage space.

## Award For Derby Winner

A handsome three-dimensional plaque symbolizing the Soap Box Derby, the Nicholas Dreystadt award will be presented to the winner of the local race, the gift of the Chevrolet Motor Division which co-sponsors the Derby with this newspaper. The background of the plaque is highly polished birch, the shield is red, white and blue and the miniature racing car, driver and finish-line flagman are silver-in-color. They rest on a platform that extends out from the back-ground.

## Frank Bourn, Jr. Hurt In Collision At Intersection

Cars driven by Frank Bourn, Jr. of Jacksonville route three, and David Wood of Princeton, N. J. were damaged in a collision at 6:10 o'clock Friday morning at the corner of South Main St. and College avenue.

Bourn, driving a 1934 Chevrolet, was going east on College avenue and the New Jersey man, in a 1941 Lincoln Zephyr, was going north on South Main St. when the two cars hit at the intersection.

Bourn was taken to Passavant hospital where he was found to be suffering from a severe cut on his head. He was confined to the hospital for treatment and further observation.

Mrs. Wood who was riding in the car with her husband was treated for shock and released.

Both damaged cars were towed to the Lukeman garage. The right rear side of Bourn's automobile was smashed and the front end of Wood's car was damaged in the accident. Wood escaped injury.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, July 9.—(P)—Hog prices rested in their upward push today, but cattle continued 25 cents higher and sheep 50 cents up.

Good choice barrows and gilts made \$22.50 to \$29.75, and sows sold from \$20 to \$25.50.

Choice to prime steers set a new high mark since January at \$40, but choice heifers were missing from the day's shrunken weekend run. Most good and choice steers and yearlings fetched \$36 to \$39 and good heifers averaged \$36.50. Most beef cows were \$21 to \$25.50, heavy sausage bulls got as high as \$25, and choice vealers up to \$30.

Native spring lambs forced a new high level since May at \$32, and good and choice shorn slaughter ewes made up to \$12.

Total receipts were 10,500 hogs, 1,500 cattle, 300 calves, and 700 sheep.

## New York Stock Market

New York, July 9.—(P)—Railroad stocks carried the market's price level to the highest point in nearly 2 years today.

Buying of railroad shares started immediately after the opening bell and slowly but steadily forced prices upward throughout the session. The steel division got the idea a little after the rails while elsewhere small gains were the rule.

Rails have been heading upward for months. New demand today was sparked by the surprise announcement of a boost in passenger fares for eastern railroads, and settlement of the dispute between three rail unions and the nation's transportation systems.

Also higher (some at new highs for the year or longer) were Nickel Plate, Baltimore & Ohio, Pennsylvania, railroad, Emerson radio, Goodrich and Phillips Morris.

Richfield Oil lagged, along with Owens-Illinois and Johns-Manville.

Railway issues improved in the bond market. Long term U. S. governments edged ahead in over-the-counter trading.

# Cleveland Loses To Browns; Yanks Beat Senators 9-0

Cleveland, July 9.—(P)—The St. Louis Browns got away to a three-run first inning and went on to defeat the league-leading Cleveland Indians 5 to 3 tonight.

The Indians out-hit the Browns 12 to 9 but couldn't connect when they needed them. Fred Sanford, who was removed when the Indians threatened in the seventh, was the winning hurler. Sanford helped his own cause with a home run in the second inning. Bob Lemon was charged with the defeat.

# KC, Pepsi-Cola Softball Winners Friday Night

The Knights of Columbus sent five men scampers across the plate in the first inning last night at Nichols Park as they blasted Myers Brothers 10 to 3. The five tallies came on hits by Walker, Bud Hall and Devlin, and two errors by the losers.

Three more KC runs on four clean hits in the 5th inning completely tied the win.

The Myers nine was unable to score until the 6th. Paul Stroud opened that frame with a freak home run, knocking the ball under the center field fence. The rules allow the runner to go as far as he can in such a case, and since the ball couldn't be retrieved Stroud went the whole way around.

Young pitched for the Knights and Lynn was the loser.

Line score:  
Myers Brothers ..... 000 002 0-3 6 3  
K. of C. ..... 500 032 x-10 11 1

The Pepsi-Cola hurler, John Whitacre, scored on a passed ball in the final of last night's game between the Elks and Pepsi nines to give his team a close 6-5 win. Whitacre had reached first on an infield hit and advanced to third on Farrell Mitchell's single to center field.

Whitacre, who gave up two hits in the five innings he pitched, was relieved by Turner at the beginning of the 6th. The Elks counted four of their five tallies in the fifth on three errors and only one hit.

# State Republican Nominees To Speak At East St. Louis

Chicago, July 9.—(P)—Illinois Republican nominees will speak at a major campaign meeting Monday at East St. Louis.

After an executive session in the afternoon at Broadview Hotel, state ticket nominees will speak at a dinner and open meeting.

The event is sponsored by the GOP county chairman's association and the state central committee members of the First Supreme Court District, embracing 24 southern counties.

Speakers will include U. S. Senator C. Wayland Brooks, State Treasurer Richard Yates, Governor, Rep. William G. Stratton, nominee for secretary of state; Simon Murray, nominee for auditor; Elmer H. Drost, nominee for treasurer and Attorney General George F. Barrett, Brooks and Barrett, like Gov. Dwight H. Green, seek reelection.

GOP State Chairman Paul Rosenquist and John Leonard East, Chicago party chairman, said similar meetings will be held later in other supreme court districts.

While America's population is steadily climbing, the number of dairy cows on farms producing milk is going down—from 27,770,000 head on January 1, 1945, to 25,165,000 on January 1, 1948.

Undaunted by lack of snow, Ruth Spooner, left, and Joyce Pfeiffer ascend grassy hill near Slinger, Wis., the better to come down rapidly. The tow is available for year-round skiers.

# Ewell Ties 100 Meter World Mark In Trials

Evanston, Ill., July 9.—(P)—Old Barney Ewell, dean of American sprinters, showed the youngsters how to run tonight when he equaled the world 100 meter dash record of 10.2 seconds in the final U. S. Olympic track and field tryouts at Dyche stadium.

The 31 year old former Penn State star, winner of half a dozen national sprint titles in the past ten years, flashed to victory by a comfortable margin over Southern California's Mel Patton, Harrison Dillard of Baldwin-Wallace and three other speedsters in the six man final.

His time, achieved with a non effective cross wind, tied the recognized world record set by Jesse Owens of Ohio State in 1936 and equaled five years later by Hal Davis of Southern California.

Games Start July 29  
Ewell, the present national AAU 100 meter champion, Patton and Dillard thus qualified to represent the United States in this event at the Olympic games starting in London July 29. Conwell probably will be included on the team also to round out the 400 meter relay team.

Here are the other team members selected in the tryouts tonight, listed in the order of their finish with the winning performance:  
5,000 meter run—Curtis Stone, Philadelphia, Pa.; Jerry Thompson, Texas; Clarence Robinson, Brigham Young, 14.40.7.  
400 meter hurdles—Roy Cochran, Los Angeles Athletic club; Richard Ault, Missouri; Jeff Kirk, Penn., 51.7 seconds.  
Eddieleman Places  
High jump—Verne McGraw, Rice, George Stanich, Los Angeles Athletic club, Dwight Eddieleman, Illinois, 6 feet 8 inches.  
Javelin throw—Martin Biles, San Francisco Olympic club; Robert Linkins, San Jose, Cal.; Steve Seymour, Los Angeles Athletic club, 225 feet 9 inches.  
Hammer throw—Bob Bennett, Apponaug, R.I.; Henry Dreyer, New York Athletic club, Sam Felton, Harvard, 177 feet 8 inches.  
These 18 or 19 men, together with 15 who qualified for the team previously in separately conducted trials, will be joined by an equal number tomorrow when the tryouts are concluded in the remaining 11 events, starting at 1 p.m., CST.

# No Immediate Relief In Sight For Midwest's Heat

Chicago, July 9.—(P)—The Midwest's heat wave continued today and no immediate relief was in sight.

Another hot and humid day was forecast for most of the Mississippi Valley and the Eastern Plains States. The Gulf States were also getting more hot weather. Fair weather prevailed across the rest of the country.

Minneapolis, in the middle of the heat belt, has had maximum temperatures over 90 degrees for the past seven days and over 97 for the past four days. Yesterday's top was 99, the highest reading in the west central area.

There were widely scattered thunderstorms during the night throughout sections of the midwest.

# Manchester Beats Pepsi-Cola Nine

Three costly errors gave the Manchester softball team a close 5-4 decision over the Jacksonville Pepsi-Cola nine Thursday evening at Manchester. The visiting hurlers gave only three hits to the winners, but loose fielding lost the game for the Jacksonville squad.

Only extra base knock of the game was a homerun by the Manchester catcher, Funk, with one aboard in the third inning.

John Turner started for the Pepsi outfit, and was relieved by Jim Brown in the sixth when Manchester scored its final, and winning, tally. Kelly started and finished on the mound for the victors.

Line score:

# Frisina Advances In State Golf

Danville, Ill., July 9.—(P)—Jim Frisina, Taylorville, Ill., defending champion, advanced to the semifinals of the Illinois state amateur golf tournament by winning two matches at the Danville Country club here today.

Frisina opened defense of his title by downing Ed Somerville, Chicago, 1 up, then returned in the afternoon to eliminate Rial Rolfe, Danville, 6 and 5. Rolfe won his first round match from 17-year-old Dean Lind, Rockford, 1948 state high school champion, 2 and 1.

# Andover Prep Star Gains Olympic Swimming Berth

Detroit, July 9.—(P)—An Andover prep boy and a California school girl—both 17—outclassed their fields to win No. 1 berths on the American Olympic swimming and diving teams.

They are Jimmy McLane of Akron, Ohio, who swamped the opposition in winning the 400-meter free style final trial, and Zoe Ann Olsen, near-perfect fancy diving high school senior from Oakland, Calif.

McLane touched the finish in the 400 nearly three lengths ahead of veteran Bill Smith, Hawaiian from Ohio State University who has racked up 17 national championships ranging from the sprints to the middle distances and going back as far as 1941.

Bill Huesner of Northwestern University easily took third in the American final test won by McLane in 4:45.6. These three thus won places on the men's Olympic swim team leaving by plane for London next midweek.

# Park Open Champion To Be Named Sunday

Jim Buckley and Joe Doyle, finalists in last year's Country club championship, move to Nichols Park for a title contest Sunday as they meet in a 36-hole match to select a new Nichols Park open champ.

The Buckley-Doyle get-together will be the highlight of a day of tournament competition which will name titlists in four different flights. The championship matches end a five-week meet.

Truman Hart and Wally Baptist tangle for the first flight title, Bill Hughes and Bert McNeely play in the second flight and Gus Ruble and Benny Lane clash in the third flight. The feature match is in the championship flight.

The matches will be played in morning and afternoon sessions, with 18 holes scheduled for each time. The tee-off times in the title match have been set at 9 a.m. and 1:30 p.m. (daylight time).

Two trophies will be awarded in each flight by the Nichols Park golf committee.

Joe Denham and Joe Fischer will act as referees.

While Buckley is defending champion in the open tourney, having won it the last time it was held, in 1946, he faces a stiff challenge from Doyle, who defeated him last summer in the country club championship match.

Golf fans are invited to witness any of the title matches.

Qualifying scores in the Nichols Park championship tourney, which starts one week from Monday, will be accepted at the pro shop Monday through Sunday evening.

# Girls Game Slated At Park Diamond Saturday Night

Girls softball returns to Jacksonville tonight as the Jay Cee restaurant girls, currently one of the hottest clubs in Illinois, meet a strong Butterfield canteen from Decatur at Nichols Park diamond at 9 o'clock (daylight time).

The day-night attraction is one of several Saturday night girls tilts carded this month, providing response from local fans is satisfactory.

The Jay Cee girls have been playing the majority of their tilts on the road this season, and they've been very successful.

The Jay Cee team will be fresh from a startling 9-4 decision over the Middle Road Coalettes of Peoria, earned at Brimfield Thursday night. The Middle Road team hadn't been beaten previously by an Illinois outfit.

Bert Lauder, who pitched and batted the Jay Cee team to the Thursday victory, will again be on the mound.

The regular Nichols Park prices will prevail tonight.

No preliminary has been arranged because of the fact that stores down town are open until game time.

## Bitter Reprieve

By Drexel Drake Copyright, 1941, Charles H. Huff, Distributed by NEA SERVICE, INC.

THE STORY: Playboy Marcus Sterling owes Harry Bindle a gambling debt of \$10,000 he cannot pay. His wealthy wife, Miriam, has refused him the money. Bindle calls at Sterling's home late at night to collect. Cornered, Sterling steals his wife's diamond necklace from a wall safe in her room while she sleeps, offers it to Bindle as security. He agrees to pay up by Saturday. Sterling has also taken a sealed packet from the safe. After Bindle leaves, he sets the stage for robbery. A disconnected electric clock, set ahead to 1:30, will mark the time. Satisfied, Marcus goes to Edgercraft Country Club to spend the night. In the lounge, attractive man-chaser Janet Weirhaven greets him with pleasure. Janet makes no bones about wanting to break up Sterling's marriage. She threatens to "put her cards on the table with Miriam." Alone in his room, Sterling rediscovers the sealed packet he had taken from Miriam's safe. It contains \$10,000 cash and a generous note to him from Miriam.

CLIFTON is one of the unique, unsung, little known phenomena inside the bounds of New York City. Such public inattention is entirely agreeable to the two hundred or so families whose homes spread themselves palatially among the huge brown boulevards and the luxurious slopes of Clifton.

Among certain stalwart New York names, early enrolled on the list of Clifton's homesteaders, was that of Harrison Page, whose gray-rock mansion passed on at his death to his motherless daughter Miriam, one year after her marriage to Marcus Sterling. In a not far distant Clifton villa dwelt Janet Weirhaven.

Lieutenant Christopher Talent of the New York Homeless Squad nosed his spotlessly polished coupe to within inches of the precinct car parked at the curb. Only the telltale insignia on the car would have identified him with the police department. He was tall, almost lean, getting on toward forty without surplus flesh and his erect figure lacked both the breadth of

shoulders and thickly packed torso commonly considered essential policeman's characteristics.

Effortless long strides brought Lieutenant Talent to the broad steps in front of the Sterling home. A shorter, squat man from Headquarters, also in plainclothes, tagged behind, puffing.

The door across the porch stood open and a heavily built man emerged through it at Talent's first footfall on the porch. "From Headquarters?" he inquired.

"Yes, Lieutenant Talent. This is Gus Ripley with me. You're from the precinct?"

"Right. Detective-Sergeant Ben Gable. Detective Cooper's with me. He's inside."

"What's it look like?" Talent asked.

"Burglary, but nasty," Gable said.

"Who's to talk to?"

"Only a young dame that's pretty close to going haywire. She's the maid... Stella Nelson. She called the station."

Talent moved past the precinct man and through the door into the hall. "Let's look it over," he said.

Talent nodded unceremoniously to the youthful, solidly built man supporting himself against the carved stanchion at the base of the foyer stairway and engaged in nothing more burdensome than leaning down unemotionally at a frail young woman crouched rather than seated in a stiff armchair against one wall. Detective Cooper needed no introduction. The young woman would be Stella Nelson, the maid.

The lieutenant accepted Sergeant Gable's lead to the library through an archway a short distance along the hall. Detective Ripley remained discreetly a step behind his superior. Gable introduced the setting with outspread palms.

Talent crossed to the open case-

ment windows, where the heavy drapes were swaying slightly in the morning breeze. He studied the scarred window sill, bent over it and glanced at the ground outside.

"That's where the story begins," Gable suggested.

"Two cars in the driveway," Talent commented. "The family's?"

"Ain't got around to that yet," Gable said. "Giving this Nelson baby a chance to get herself together. It's been hard pumping to get answers."

"Any answers at all?"

"Only that she got here 10 minutes to eight, went up to her room on the third floor for a couple minutes, came back down, had one look, phoned the station and flopped in that chair."

"She was out all night, you mean?"

"She gets Thursday afternoons off, like all the household flunkies get, and spends the night with her folks in Jersey... Union City."

Talent glanced back at Ripley and was satisfied when he found his companion from Headquarters taking notes.

"This is a big house," Gable observed. "Nobody else here? Where's the family?"

"Not much of a family, Lieutenant," Gable said. "Just Marcus Sterling and his wife. Maybe you know who he is?"

"A little about him. Figures on Broadway once in a while. Married a lot of money. He isn't here, huh?"

Gable decided an answer was unnecessary. Talent's attention had returned to the window. He studied the shattered window pane, let his eyes travel to the litter of splintered glass on the rug, stooped for closer scrutiny of my traces on the rug.

"Somebody didn't want to leave a footprint," Talent said.

He examined the fallen taboret and the white figurine electric clock that lay on one side.

"Sets the time for us, doesn't it?" Gable suggested.

"Thirty-one after one," Talent murmured. "Tells us when the plug was pulled out, anyway."

## Car Demolished In Accident Near Arnold Friday

A 1940 Plymouth coach was completely demolished at 5 o'clock Friday morning when it left the highway on U. S. route 36, about a mile and a half west of Arnold.

Mr. and Mrs. Donald Hatten of Indianapolis, Ind., were the occupants of the car which was west-bound at the time of the accident. Mrs. Hatten was driving when she apparently lost control of the car and it left the pavement and struck a tree on the south side of the road. Hatten received a cut on his chin in the crash but his wife escaped without injury.

## Services Sunday For Walter Long, Former Resident

Funeral services for Walter Burton Long, who formerly resided east of Jacksonville, will be held Sunday at 1 p.m., standard time, at the Bass funeral home in Hillsboro. Burial will be in Diamond Grove cemetery in Jacksonville after the services in Hillsboro.

Mr. Long died Thursday evening at Butler, Ill., where he had resided with his family for several years. Born November 4, 1879, on a farm west of Concord in the Hopewell vicinity, he was the son of Milton and Lucinda Long. In 1912 he married Amelia Menge, who survives.

Also surviving are two daughters, Mrs. Bernice Kaiser and Mrs. Mildred Prose, and one grandson, John Francis Kaiser, all of Butler; one brother, Robert Ross Long of near Chapin; one nephew, Elvin Long, near Chapin; four nieces, Mrs. Mary Myers, Mrs. Muriel Crosby, and Miss Elizabeth Long, all of Kansas, and Mrs. Roberta Werries of Chapin, and other relatives. Four brothers and one sister preceded him in death.

## Blodgett Reports To Kiwanis Club On Convention

Members of the Kiwanis club heard Dr. Darrell R. Blodgett report on the Kiwanis International convention in Los Angeles, which he attended as a delegate from the local group.

Dr. Blodgett described the sessions held at the Shrine auditorium in Los Angeles. More than 10,000 persons attended the convention, the largest ever held by the organization.

Principal convention speakers were Cecil B. DeMille, California Governor Earl Warren, James Farley and Lester Pearson, Canadian undersecretary of foreign affairs.

Children who attended the convention with their parents were particularly delighted with a combination circus and wild west show held for them in the Memorial Coliseum, Dr. Blodgett said.

## Young Mahouts And Little Elephants Go Over Big

The seven smallest individuals of the Dailey Brothers herd of elephants and their young Indian trainers attracted much attention when they showed here Thursday. All nine of them were most friendly.

The upper snapshot shows Pyaru of Mysore province, India, watering his charges: Little Eva, Rosie, Jennie, Nellie and Texas. Pyaru is 22 years old, but scarcely looks it. Eva is two and the prima donna of the lot. She had returned to the show earlier this week after a jaunt to Philadelphia. The trip was made by airplane and all Eva had to do was to tote a Taft banner and look as pretty as she could for the photographers.

Texas Looks Good  
Texas is five years old and has possibilities of becoming a topnotch ring leader. Pyaru works hard with him and depends on him setting the pace for the juniors.

Little Butch and her keeper, Arumasingh, is shown at the left. Orphaned at birth 10 months ago, Little Butch is growing O.K. under the watchful eye of Singh. She weighs 300 pounds now.

Singh says she is a hearty eater. Right now her ration is two pounds of cracked rice, one pound of oatmeal and one pound of Pabulum three times a day. So far, she has refused to eat unless the food is offered by Singh.

Ben Davenport, the owner, is seeking a better name for Little Butch and is sponsoring a contest open to children. He will give a prize for the name chosen by a state of judges.

Little Butch is obviously fond of Singh. He is 20 years old, from Madras province. Both Singh and Pyaru have been in this country less than six months, coming over with the young elephants.

The young men are from Indian families who specialize in handling elephants. Neither knows just how long his ancestors have been mahouts, but Indian records indicate more than a thousand years.

Little Butch Leads Herd  
Little Butch, when she's happy, likes to show off as much as any other baby. Singh has taught her to do a little dance and to cry upon command. She proudly hangs onto his head to lead all the elephants at parade time. This intrusion was resented at first by Myrtle, four-ton, sixty-year-old matron who had been the herd leader for years. But Smokey and Hungry, handlers of the big bunch, report the resentment is beginning to wear off.

Pyaru and Singh learned English in high school and have a pretty fair vocabulary. They willingly answer any question put to them about their charges. Evidently neither ever heard of a 40 hour week, for they are with their elephants day and night, every day of the week.

A directory of all the social and civic clubs as well as the various health and welfare organizations in the Jacksonville area is being prepared by the Community Service committee.

The directory, which will be published in booklet form, will list each organization's official title and mailing address and will contain a paragraph explaining the group's purpose, programs and activities. Copies of the directory will be distributed to each organization and to interested persons desiring them. Periodically, supplements will be issued, keeping changes up to date.

The directory is being prepared in order to make available to the public information concerning the programs and activities of the various clubs and organizations. It will also serve to make groups considering sponsoring community and civic projects, aware of how active other groups are in the same field.

All of the clubs and organizations will be contacted by mail within the next few days. They will receive questionnaires which they are asked to fill out and return to the Community Service committee.

Dedication services will be conducted at the Northminster church Sunday marking the installation of a public address system in the sanctuary by the Gleaner Sunday school class and other church members and friends.

At this time the quarterly Community service will also be observed.

## Morgan And Scott Co. 4-H Camping Program Planned

A week of camping is planned for 4-H young people at Nichols Park during the week of July 19-23. Boys will be at the camp through noon on the 21st; at one o'clock on that day the girls will take over, remaining until evening on Friday.

The camp is available to girls from Morgan and Scott counties and boys from Morgan county. All registrations should be turned in to the Home Bureau no later than July 15.

The program will feature swimming several times during the day—an early morning dip at six o'clock, instruction during the morning, and an afternoon swim. Also on schedule are craft classes and other typical camping activities.

Two instructors will be present from the University of Illinois—Miss Carol Piper, leader of recreation and singing, and Mrs. Virginia Vogen, who will teach craft work.

## Harry Fitch Is Rotary Club's Guest Speaker

Harry Fitch, formerly of Jacksonville and now of Oskaloosa, Iowa, spoke at Rotary Friday on his early recollections of this city and his later experiences as a newspaperman and photographer.

After starting his newspaper career on the Jacksonville Courier, following his graduation from the local high school, Fitch spent several years with some large metropolitan papers.

Prompted by a desire to live in a community like Jacksonville, he moved to Oskaloosa where he worked on the paper for 15 years before opening his own photographic studio.

The speaker-in-law, D. C. Ditz, during the meeting Gerald Cook, office manager of the Illinois Power company, was made a member of the club.

## Church To Install Electric Organ In Carrollton

Carrollton—Plans for the installation of a Wurlitzer electric organ will be discussed at the morning worship services of the Baptist church Sunday. ## CIRCUS CANVASMAN SPENDS 'PLEASANT' DAY IN CITY JAIL

Dailey Brothers set up their tents in Columbia, Mo., Friday without the assistance of "one of the oldest canvasmen in the business."

At 2:35 a.m. Friday Lt. Stout and Patrolman Hill found a rather small, 45-year-old man sleeping along the Wabash right-of-way near North Clay ave. He was attired in a shirt.

When aroused he expressed amazement that the circus train had departed westward without him. He told the officers that he had been reclining in his bunk waiting for the train to roll. He decided to go out for a peek at the stars and found it most comfortable outside, "so I laid down for a little while."

Evidently he also found the city jail a comfortable spot, sleeping until 2 p.m. Earlier the officers tried untiringly to arouse the visitor, with no success. They had about decided to call the circus management to inquire how a boss canvasman gets his men on their feet in the morning.

An hour later Major Serrais of the Salvation army brought him a new rig: shoes, socks, underwear, pants and another shirt.

He expressed his thanks to all concerned and left Jacksonville via Route 67, confident he'd "catch the show at Mexico, Mo."

## Wheat Crop Fine: One Field Makes 52 Bu. Per Acre

Many farmers in all sections of Morgan county Friday completed harvesting a bumper wheat crop. Elevator managers estimated that 66% to 75% of the production has already been hauled in.

Combining was resumed Thursday, after the soil had firmed sufficiently from the rains of July 4 and 5. The quality of the grain remained high, with test weights running up to 62 pounds per bushel.

This is a banner year for wheat. A high percentage of the fields got into the 40 bushel class. The top production reported to the Farm Bureau thusfar was from a 57 acre field of Pawnee raised by John U. Becker on his farm south of the Diamond Grove cemetery. The yield was 52 bushels per acre. Test weight was 61 pounds per bushel.

This year's winter wheat crop will bring more than a million dollars to the farmers of Morgan county. Average yield will be above the high average of 1947, which was 24 bushels per acre. Total acreage has been figured as nearly the same as last year, about 21,000 acres.

Several oats fields were opened yesterday. Most
